AUTO BRUISES RUSSIAN LAD

A Russian lad under ten years lies at a Japanese hospital seriously bruised about the head and body as a result of being run down by Auto No. 987, which the police allege was driven by Paul Beyer, the accident taking place yesterday afternoon shortly after three thirty near the intersection of Beretania and Aala streets.

The Russian, named Louler Kozov, is declared by officers who were sent to investigate the case, to have been thrown to the ground, the machine stopping some thirty feet from the spot where the child was knocked down.

Beyer told the police that he was proceeding at between four and five miles and hour, which statement is disputed by officers on the ground that the velocity of the machine was plainly indicated by the failure to stop the car near the place where the boy was injured.

The police further report that in the Beyer machine was found a man well under the influence of liquor. The officers also state that Beyer showed indications of being somewhat intoxicated.

In his explanation of the cause of the accident, Beyer stated that he was practically on top of the lad before he discovered his presence in the middle of the road. The little fellow was carrying a bundle of cut wood when he was hit by the machine. No formal charge has been entered against Beyer as yet.

THEFT CHARGED TO CAVALRYMAN

The theft of jewelry and watches to the value of several hundred dollars is laid to the door of Samuel A. Cohn, member of Troop F, Fifth Cavalry, according to charges made by Chief of Detectives McDuffie, who has placed Cohn under arrest awaiting the accumulation of other evidence. J. F. Hinks, belonging to the crew of the United States revenue cutter Thefts, has reported to the police that he is the victim of a raid made upon his room in the Alangan lodging house, at which time Hinks states that he lost one gold, one silver watch, a pair of cuff links, and a stick pin containing six small diamonds as a setting.

McDuffie started out on the case yesterday afternoon, and by evening had Cohn in custody. In going through the personal effects of his prisoner McDuffie reports that he recovered a silver watch which was afterward identified by Hinks as his property.

Cohn will probably be charged with larceny in the first degree following the recovery of the other articles, which McDuffie hopes to locate within the next twenty-four hours.

DOLL WEDDING WILL TAKE PLACE TOMORROW

"Duke Kahanamoku" discussed plans for his wedding quite freely this morning. This is the first time he has granted an interview on that subject, feeling quite sensitive over the fact that his suit was delayed.

In speaking of it he said: "You see the King's Daughters knew that Mary Ellen was going to be married but they didn't know who was going to be lucky man and when all the dolls were gathered in and there wasn't a man amongst them, they began to get worried and to wonder where they could get a bridegroom. Somehow in the shuffle of fixing the girls up, they left me behind, in a big pasteboard box and Mrs. Adelaide Webster found me. Wasn't she glad—and wasn't I?"

"You can just imagine how I felt. There I was, tied up in a box and without decent clothes and with only my bathing trunks on! I was scared still. Thought they never would find me—and Mary Ellen was all dressed for the wedding."

"Mrs. M. E. Parley was very good to offer to provide me with a suit of clothes at such a late date; she's an artist, you know, and making doll clothes isn't just in her line."

"Our romance began on the way over from San Francisco and it wasn't fixed up by the King's Daughters, either, and we are going to wind it up tomorrow at the Royal Hawaiian Hotel. Hope everybody will be there. S'long."

KAUAI WATER RIGHTS GIVEN

Bringing to a successful climax eleven years of effort to acquire sufficient water and irrigation rights the Makee Sugar plantation of Kauai yesterday finally reached an agreement with Governor Frear which is expected to give it an ample flow for the next seven years.

Manager Rufus Spaulding, in conference with the chief executive, has concluded an arrangement whereby the plantation is to have and in the Anahola and Kamalo districts, adjoining its own property, free of rent for seven years. On this tract it is to construct an enormous reservoir and a long ditch, at an aggregate cost of about \$25,000, these improvements, together with the land on which they are to be located, to revert to the territory at the end of the 7-year period.

The first effort of the plantation to obtain some kind of water concession from the government was made in 1901, and the last unsuccessful one was made in 1910, when it was proposed to lease the Kapaa water rights and other necessary lands to the plantation for an annual rental of \$7,000.

RHEUMATIC SUFFERERS RELIEVED.

Rheumatic pains are aggravated by cold, damp weather and many hard-working, middle-aged people are made miserable during much of the winter and spring months by reason of this. Their suffering may be very much relieved, and in many cases permanently, by applying Chamberlain's Pain Balm and massaging the parts with the palm of the hand at each application. This relieves the pain and makes sleep and rest possible. For sale by all dealers, Benson, Smith & Co., Ltd., agents for Hawaii.

THE QUESTION OF NOURISHMENT

A Better Digestion Will Increase
The Value of Your Food to
You Many Times.

When your food does not nourish you, the blood is thin or impure. Unless the blood is pure, assimilation, the final step of digestion, is imperfectly done and the body poorly nourished. Every day instances of lack of nourishment because of thin or impure blood are seen in children, who eat almost continually yet do not grow; in convalescents from the grip, fever, or some other serious disease, who remain pale, weak and debilitated; in persons who are run down through overwork or worry and are unable to get back their strength. Before the body can be properly nourished, the blood must first be cleansed, built up and made fit to work. Dr. Williams' Pink Pills for Pale People will do this more quickly and effectively than any other medicine. They contain the very elements which the thin blood lacks. Not only do they strengthen the stomach but they build up the blood so that you get full nourishment from the food.

"For six years I suffered untold misery from stomach trouble," says Mrs. H. P. Flanagan, Matron, State Penitentiary, Sioux Falls, South Dakota, "although I was treated by four physicians. No two agreed as to the nature or cause of my disease. One said I had ulcers of the stomach, another that it was chronic stomach trouble and incurable, another called it neurasthenia."

"The pain was dull, not sharp, and when I walked or rode I noticed it was a great deal more severe. It was relieved when I rested or would lie down, I had no appetite and didn't care to eat at all. I tried to eat to keep up my strength but the pain was there whether I ate or not. I was run down in strength and weight."

"My husband persuaded me to try Dr. Williams' Pink Pills, and I am so well now that I eat everything I want to. I have no trouble with my stomach and have no doubt that my cure is complete. My general health is good and I have gained in weight."

Sand today for the free booklet, "What to Eat and How to Eat." Dr. Williams' Pink Pills are sold by all druggists, or will be sent, postpaid, on receipt of price, 50c. per box; six boxes for \$2.50, by the Dr. Williams' Medicine Company, Schenectady, N. Y.
